### WHAT IS THE BUILDING FUND?

The F.M. Kirby Shakespeare Theatre and the Thomas H. Kean Theatre Factory are physical spaces, but they represent so much more than just rooms, walls, and a stage. These spaces reverberate with the sounds of artists and audiences, young and old, engaging in our powerful art form. These spaces are our artistic and educational homes and they allow us to make art and to share it with the community. We are determined to continue providing future generations with the life-changing experiences and learning opportunities that the arts provide. The BUILDING FUND supports these beautiful and unique facilities.

For more information about the MAKE YOUR MARK Campaign or the BUILDING FUND, including additional giving levels and naming opportunities, please visit our website at [ShakespeareNJ.org](http://ShakespeareNJ.org).
